

Customer Experience Essentials

e-learning for everyone to learn CX basic

Customer Experience (CX) is a mindset and business practice that allows organizations to thrive in today's customer-centric market. This program teaches participants the fundamentals of customer experience and inspires them with the concept that creating values can be done on any size and budget.

A 60-minute online course packed with everything you need to know for a remarkable experience

Designed for anyone working in the service industry

Everyone is responsible for the customer experience. Organizations must ensure that their employees understand and embrace the new mentality and business practices on both a personal and corporate levels. However, not everyone is required to take days of training to prepare.

Collab+ offers online training, allowing for greater flexibility in learning the fundamentals. Moreover, employees can apply what they have learned and start contributing afterward by crowd-sourcing ideas and cases to form an inspiration flow that changes how corporates innovate their customer experience.

Key benefits:

- Understand fundamental CX concepts and how to create value through practice.
- Learn about Experience Archetypes, our proprietary tool to decode experiences.
- Be inspired by the simplicity and power of effective CX, and recognize the potential for everyone to make a difference.
- Get introduced to well-known tools and techniques, such as the Customer Journey Map (CJM), to identify pain points and opportunities.
- Grasp the idea of internal customers and how everyone can contribute to CX.
- Participate in an optional idea crowdsourcing exercise to continue discovering, learning, and appreciating customer experience after the class.

TRAINER AND FACILITATOR

Adela Yu is a seasoned corporate trainer with a strong background in Learning & Development (L&D). With over 10 years of in-house experience, she has cultivated a diverse background by working in regional and global positions across industries such as luxury retail, hospitality, food & beverage, and oil & gas.

In recent years, she has expanded her L&D scope into a consulting role. This transition has allowed her to leverage her extensive experience and expertise to provide strategic guidance and consultation to organizations. As a consultant, she combines her practical insights with industry best practices to design and implement tailored L&D strategies and solutions that align with organizations' visions and objectives, driving sustainable growth and success.

Consumer Experience is a market phenomenon, and it is constantly evolving. Brand-customer relationships have changed, and brands must adapt to expand or merely survive.
